

Information Technology and Demand Response/AMI Specialist

Twin Valleys Public Power District headquartered in Cambridge, Nebraska has an immediate opening for an Information Technology and Demand Response/AMI Specialist. Candidates will have a strong working knowledge of Windows environments, including servers, work stations and networking to effectively manage all the District's computer assets, including security. This challenging position will allow an existing networking professional to broaden his/her skill set and be in on the ground floor as the District is set to upgrade/deploy Demand Response (DR), Automated Metering Infrastructure (AMI), Supervisory Control and Data Acquisition (SCADA) and high speed data communications with cutting edge technology in the District's 6 county, 1958 sq. mi. service area. The successful candidate will configure, operate and maintain the master station DR, AMI and SCADA equipment. Candidates should have at least two years of experience plus an associate degree in computer technology with emphasis as a network manager, or an associate degree in electronics technology, or equivalent. Certification as a Microsoft Certified Technology Specialist or Microsoft Certified IT Professional is desirable. The candidate must be a highly motivated self starter who can work well with others. The District offers a challenging and rewarding work environment, competitive salary and an excellent benefit package. Cambridge is a safe, growing, attractive community with a great quality of life including excellent schools, recreation, medical facilities and other amenities such as fiber to the home. To apply for this position, send a resume in confidence, salary history and three professional references to: David Custer-Director of Operations, Twin Valleys Public Power District P. O. Box 160 Cambridge, NE 69022, Email dpcuste@twinvalleysppd.com You may view the complete job description at www.twinvalleysppd.com/job.html The District is an Equal Opportunity Employer. Position is open until filled.
