Cambridge, Nebraska 69022

Immediate Opening

Twin Valleys Public Power District, with headquarters in Cambridge and an outpost in Alma has an immediate opening for a 3rd year Apprentice or Journeyman Lineman in Cambridge, Nebraska.

The ideal candidate will have a minimum of three years OJT as an apprentice lineman and an associate degree in utility line construction. A self-starter with the ability to work independently and communicate well with other crew members is a must for this position.

Twin Valleys Public Power District serves more than 6,700 meters over 2,510 miles of transmission and distribution lines within nearly a 2,000 square mile region in southwest Nebraska with 24 full time employees. Cambridge is located on the west edge of Furnas County and offers excellent hunting, fishing, boating and other outdoor opportunities.

Twin Valleys Public Power District offers an excellent NRECA benefits package and competitive salary commensurate with qualifications.

Send a completed application for employment (found on: www.twinvalleysppd.com), which includes salary history and three professional references, along with a resume to Jeff McArthur, Operations Manager, PO Box 160, Cambridge, Nebraska 69022; or e-mail to jmcarthur@twinvalleysppd.com. Twin Valleys is an Equal Opportunity Employer. Position will be open until filled.
