

Southwest Public Power District has an opening for the position of Staking Technician. Duties include, but are not limited to, design of electric transmission and distribution facilities, easement requirements, maintain system maps, assist with coordination of construction work, communicate directly with customers on new or changes in electric services, etc.

The District operating hours are a compressed work schedule with every other Friday off. This position would require passing a drug and alcohol test upon initial employment.

Southwest Public Power District offers an excellent wage and benefits package, including paid vacation, sick leave, paid health insurance, and funded retirement plan. SWPPD is an equal opportunity employer. This position would report daily to the headquarters office in Palisade Nebraska. The region's schools, small communities and recreational opportunities make it a great place to live and raise a family. Interested individuals must email a resume, including job training and three references to: jobs@swppd.com

Resumes accepted until January 5th, 2026.
