

Your Touchstone Energy® Cooperative 

Apprentice Lineworker

About Midwest Electric:

Based in Grant, NE, Midwest Electric Cooperative Corporation serves 6568 consumer accounts and 2993 miles of line across five counties in western Nebraska. As an employee, you will get excellent benefits and a prospering team culture. Join us for challenging work and great benefits. We are looking for a skillful candidate for immediate hire.

Position Summary: This position is responsible for the acquisition of the skills and knowledge necessary to perform all activities required for the construction, maintenance and operation of overhead and underground distribution and transmission lines, substation operation and maintenance related activities under the direct supervision of a qualified foreman or journeyman.

This position will be trained to operate equipment used in line construction and maintenance including bucket trucks, digger trucks, forklift, backhoe, trencher, winches and high compression tools. Must possess a Valid Class A CDL and pass a pre-employment drug and alcohol test.

An Apprentice Lineworker must have the ability to safely drive and operate trucks and heavy equipment, and the ability to operate and direct aerial lift equipment. Applicant must meet the physical requirements of the job which include heavy lifting and operating machinery; also required to meet all safety requirements set forth by Midwest Electric Cooperative Corporation's Safety Procedures. This position will be open until filled.
